**Subject:** Nov 20 VT DEC Responses to Lake Memphremagog Follow-up Questions from Global Affairs Canada and Environment Canada  
**Attachments:** 2018-11-20 EPA Canada Questions.pdf

Good Afternoon Nicole, Morgan, Danielle, Guy, Arash, Steve, Felicia, Sean:

Our colleagues at VT DEC have provided responses to the second set of questions you sent along on Nov 7 (see the attached PDF file: 2018-11-20 EPA Canada Questions). As I mentioned in a previous email, VT DEC has offered to have a follow-up conference call so that any additional questions that you have can be discussed. Kate Melanson and I will connect with VT DEC and get some dates/times that will work for their subject matter experts and then we'll circle back to the larger group (Global Affairs Canada, Environment Canada, State Department, EPA OITA & R1, VT DEC) and cross our fingers that we can find a date that works for everyone. (VT DEC is checking with staff about their availability during the weeks of Dec 3 and 10.)

Special thanks to Neil Kamman and Rebecca Ellis at VT DEC for pulling together the responses.

Best Regards,

Paul
